

Dear Colleagues:

The MCBIOS and MAQC societies are proud to announce a joint conference in April 2020, which will be held in North Carolina, USA.

17 th Annual Meeting of MCBIOS (MCBIOS2020), http://www.mcbios2020.mcbios.com/	4 th Annual Meeting of MAQC (MAQC2020), www.MAQC2020.org
Theme: Precision Public Health – A 2020 Vision	Reproducibility – A 2020 Vision
Date: April 6-8, 2020	April 8-10, 2020
Venue: SAS Institute in Cary, NC	SAS Institute in Cary, NC

THIS ANNOUNCEMENT IS FOR MCBIOS2020 ONLY!

MCBIOS2020 is focused on research in the areas of drug discovery, toxicology, emerging technologies, risk/safety assessment with a focus on using data science, bioinformatics and artificial intelligence. Below are some opportunities:

- **Organizing a session at MCBIOS2020:** Please submit a proposal through <http://www.mcbios2020.mcbios.com/>, which is due by **August 15, 2019**. You may also use <https://form.jotform.com/91484666977175> to submit a proposal. An accepted proposal will receive two complimentary registrations to attend both conferences: one professional and one student.
- **Young Scientist Excellence Award:** This is offered to both postdoctoral fellows and students. To apply, please go to <http://www.mcbios2020.mcbios.com/>, which is due by **September 30, 2019**. Selected finalists (3 students and 3 postdocs) will give plenary presentation with free registration to both conferences and hotel accommodation. Winners will receive cash award of \$500.
- **Poster Presentation Award.** Poster session will be jointly hosted by MCBIOS2020 and MAQC2020. Winners will receive certificates and cash award. For Additional Information, please contact Bindu Nanduri at bnanduri@cvm.msstate.edu.
- **Travel Assistance** for students. The detail information will come soon.

Weida Tong, President, MCBIOS Society (Weida.Tong@fda.hhs.gov)

Steve Foley, Conference Chair, MCBIOS2020 (steven.foley@fda.hhs.gov)
